## Algiers LED Overbed ALB Series

### Features

Contemporary LED wall mount senior care overbed light with a beautiful combination of finish and shade materials. White acrylic top and bottom diffuser. Provides both ambient and task light with a four way pull switch, standard (120 volt only).

### Construction

The wiring channel is formed from 22-gauge steel and is provided with mounting slots and wiring access. An internal divider provides separate lamp compartments for controlled up light and down light. Fixture can mount horizontally only. Power connections can be made in the fixture wiring channel or in a standard junction box (not included).

### Finish

Metal finish in satin nickel or oakley bronze.

### Diffuser

Linen Acrylic front diffuser. White acrylic top and bottom diffusers.

### Electrical

The unit is wired with two UL recognized LED Drivers. The shorter length fixtures produce 1350 source lumens upward, and 2700 down, while the longer fixtures provide 1800 source lumens upward and 3600 down. Four position pull switch (on up, on down, on both, all off) are standard and located near the right side of the fixture. LED nightlight with on/off control pull-switch is included.

### Lamping

Fixture includes LED modules producing a total of 4050 or 5400 source lumens in 3000K CCT. Rated for 50,000 hours

### Certification

cETLus listed for damp locations.

### Options

120-277V universal voltage available without switch and nightlight.

### Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date of purchase.

**Specifications and dimensions**
