Aria LED Vanity ARV Series

Features

Sleek contemporary wall mount vanity can be mounted horizontally above the mirror or vertically. Fixture is ADA compliant and has die-cast aluminum end caps with a frosted white acrylic diffuser. Power supply connection can be made in a standard J-box with a supplied 5" diameter J-box cover plate or can be made inside the housing without the need for a cover plate.

Construction

The wiring compartment is formed from .050" thick aluminum and is provided with keyhole mounting slots and wiring access. The decorative end caps are die-cast aluminum. End caps are retained with thumbnuts for tool-less relamping.

Finish

All metal parts are plated in Satin Nickel (SN) or Oil-Rubbed Bronze (RB) finish.

Diffuser

Diffuser is .100" thick-frosted white extruded acrylic with internal linear prisms.

Electrical

Input 120-277VAC / 60Hz.
Not compatible with dimmers.

LED

Integrated linear LED modules producing:
38" - 30W, 1400 source lumens
50" - 40W, 2100 source lumens
3000K (CCT). Rated for 50,000 Hrs LED life, 90 CRI.

Certification

All fixtures are ETL listed for damp locations.
ADA

Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date-of-purchase.
