Edge Round LED Battery Back-up EGRF Series

Features

This low profile battery back-up pan, is designed to work with Edge 8" or Edge 12" Round EGRF Series light, (SOLD SEPARATELY). Provides up to 90 minutes of light during power outage. Product can be used in various applications including corridors, closets, hallway, kitchen and anywhere general lighting is needed. Indoor use only - wall or ceiling mount. Spacing pan available for fixtures that do not need a battery back-up, for continuous even height placement.

Construction

Metal construction. Mounts to standard junction box (not included). Power supply connections must be made inside junction box. Luminaire attaches to pan via leaf spring.

Finish

White

Electrical

Direct wired to 120V electrical connection. Rechargeable 5-6W Lithium Cobalt (LiCoO2) Battery. 90 minutes operation at 40% reduced lumens. Push button test switch.

Certification

cETLus listed
Title 20 compliant

Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date-of-purchase.
