

Low Profile/Narrow Wrap LWL Series-Chassis Only, No Ballast For Use With Type B LED Replacement Tubes

Features

This low profile, clean appearance, surface mounted wrap provides a wide distribution of light with a clear prismatic lens or with a translucent smooth white diffuser. It can be used in various applications including offices, corridors, garages, kitchens and public spaces. Fixture mounts to standard junction box (not included). For indoor use only.

Construction

Housing is die-formed of 22-gauge steel. Standard mounting holes are included. Power supply connections can be made inside the fixture wire way or in a junction box (not included). Fixture includes non-shunted tombstones without a ballast.

Finish

Housing is finished in lighting grade white baked gloss enamel paint.

Diffuser

Acrylic diffuser is .060" thick prismatic diamond pattern 12 on the face with linear prisms on the sides, or can be ordered in smooth white acrylic plastic. Diffuser rests in position on the continuous housing flange, it is removed by a lift and shift motion.

Electrical

Wired for use with 120V or 277V VAC LED tube lamps.

Lamping

Single Ended or Double Ended Type B LED Tube Lamps (not included).

Certification

cETLus listed for damp locations.

Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for 5 years from date-of-purchase.
