

Mendota LED Overbed MENB Series

Features

White lattice solid metal front panel provides a soft glow accent to this contemporary wall mount senior care overbed light. The Mendota provides both ambient and task light with a four way pull switch, standard (120 volt only) and an optional nightlight. Top diffuser and bottom diffuser are frosted white acrylic.

Construction

The light fixture channel is formed from 22-gauge steel and is provided with keyhole mounting slots and wiring access. An internal divider provides separate lamp compartments for controlled up light and down light. Fixture can mount horizontally only. Power connections can be made in the fixture wiring channel or in a standard junction box (not included).

Finish

All metal parts are finished in white.

Diffuser

White acrylic bottom and top diffuser.

Electrical

Input 120VAC / 60Hz.

Provides 50 footcandles of reading light over bed.

Four position pull switch (on up, on down, on both, all off) are standard and located near the right side of the fixture.

Not compatible with dimmers.
